In the reference read above, the Director General of Police, Andhra Pradesh, Hyderabad, has stated that with the rapid growth & development of Cyberabad and with the establishment of IT based industries, the frequency of Cyber Crimes have gone up. The global connectivity of the internet makes it more easier for criminals to act beyond boundaries to conduct crimes to use more sophisticated techniques to support and develop networks for drugs trafficking, money laundering etc. For hackers with the requisite computer skills a large market exists for security and trade secrets which can be accessed and transmitted electronically. Most powerful and crooked people are often involved in such crimes.

2. He has also stated that there are number of complaints of various cyber crimes ranging from e-mail hacking, SMS abuse, source code theft, credit card frauds, Nigerian frauds and so on. The existing Law and Order Police Stations are unable to cope with the heavy work load due to which they are unable to concentrate on the cyber crimes being reported because it required specialist training and equipment to deal with these cases.

3. He has further stated that the Commissionerate of Police, Cyberabad requires a professional wing to investigate into all such scams having serious ramifications on the economy of the nation.

4. The Director General of Police, Andhra Pradesh, Hyderabad, has, therefore, requested the Government to crate a separate full-fledged Cyber Crime Police Station for Cyberabad Commissionerate of Police as shown hereunder specifying that there is no additional financial commitment involved in this proposal.
